Marco van Winnendael

Creative Technology Developer

I was born and raised in the Netherlands 25-10-2001. I grew up with bilingual education in Dutch and English. From home, I also learned Portuguese because I have Brazilian family on my mother's side. I am particularly skilled in communication, and my creativity is wide-ranging. Currently a first year Creative Tech student at IADE - European University. I mainly work with Adobe-based software, but I'm also proficient in Unreal, FL Studio, Blender, and more. I am accustomed to working in international environments and enjoy meeting new people.

Experience

2021 - 2022

Parkstone, Parkstraat 101, 2514 JH Den Haag, Netherlands

Supervisor furnishing & decorating apartments

Parkstone B.V is a real estate company that worked together with me in order to furnish and decorate apartments in a property. My job was to supervise the team and be responsible for all communication for example keeping track of the work hours of each individual for the finance.

05-2022 - 07-2022

Farmacy Deltaplein, schoolstraat 158 E, Voorschoten, Netherlands

Medicine Delivery

I was responsible for packaging the medicines and delivering them to the right location.

07-2022 - 10-2022

Phat Phill's, Westfield Mall of the Netherlands

Bar tender and waiter

Crafting and serving beverages, customer service, inventory management, cash handling, and maintaining cleanliness

07-2022 - 10-2022

Arcum marketing, J.C. van Markenlaan 3, Rijswijk, Netherlands

Call Centre Agent

Calling and helping people with their phone, TV, and internet inquiries.

03-2023 - 06-2023

A Casa Do Boi, Poxoreu, Brazil

Voluntary work

Helping in an agricultural store in Brazil which made me improve my Portuguese and taught me a lot about their lives and the culture.
